

Wayne County Health Department
REQUIREMENTS FOR A TEMPORARY PARK-CAMP

“Temporary park-camp” means any tract of land used for a period not to exceed a total of twenty-one days per calendar year for the purpose of parking five or more recreational vehicles, dependent recreational vehicles, or portable camping units, or any combination thereof, for one or more periods of time that do not exceed seven consecutive days or parts thereof. **Please maintain a safe and healthy campground.**

--OAC 3701-26

Density

- ✓ Each unit must maintain at least 15 feet between the sides of the unit and any building, street, public roadway, and right of way.
- ✓ Each unit must maintain at least 10 feet between the ends of the units.
- ✓ Each unit must maintain at least 7 ½ feet from any property line.
- ✓ Each lot must maintain unobstructed travel between/to units. This includes pop outs.
- ✓ **No more than 3 tents or 1 camper unit and 2 tents allowed per site (size limited).**
- ✓ Each site boundary must be marked and have a site ID.

(In computing distance requirements, awnings are not included, but pop out rooms are.)

Health and Safety

Please note the location of fire extinguishing equipment, first aid supplies, location to dispose of trash and grey water (wash water), and emergency telephone(s). Please follow the **CAMP RULES**.

Sites

Sites must be properly drained and kept free of trash and debris. Each site must have proper ID and displayed for emergency reasons. **Camp only on your registered site.**

Water Supply

- ✓ **Each hose connection** to a water source must have an ASSE 1024 backflow prevention device.
- ✓ **All water hoses** must be rated for potable water use only. NO garden hoses!!!

Sewage and Liquid Waste

All sites must be maintained free of sewage and liquid waste nuisances. The sewage collection/waste water disposal facility shall be maintained in a safe and sanitary manner so as not to create a health hazard. Do not dispose of sewage or grey water (wash water) on the ground. Direct connection to a grey water station is **not** allowed.

Solid Waste Storage and Collection

Storage and collection of solid waste must be conducted to avoid health hazards and in containers with lids. The burning of trash is prohibited. Please clean up your animal waste.

Electrical Service

Please ensure all electrical connections do not pose a safety risk (no trip hazards and/or must have proper connections/extensions). Avoid pools of water with electrical cords.

Pets

All pets that are permitted within the park or camp must be registered prior to entry.
